**89 points & Best Buy, Wine & Spirits** "This brisk white starts out lean and opaque, its green-apple and tarragon scents needing time to reveal themselves. By the second day open, this wine has taken on a second life, presenting expansive, mouthfilling flavors of quince spritzed with lemon."

**90 pts Vinous** "Lurid red. Pungent cherry, raspberry and rose oil scents show good clarity and pick up a peppery nuance as the wine opens up. Spice-tinged, midweight red berry and bitter cherry flavors deepen and become sweeter with air while maintaining urgency. Shows very good energy and a hint of candied flowers on the long, gently tannic finish."

**90 points The Pinot File** "The winery's flagship bottling. Moderately light ruby red color in the glass. The nose expands over time in the glass to reveal hi-tone aromas of cherry, red berry and fertile earth. Light to mid weight in style, featuring red cherry and berry flavors woven through with a savory thread. Fresh and expressive, and forward drinking with a gentle tannic backbone."
